2016 Teachers of the Year—School Winners

Pike County Schools

Professional Development Guide

A Message from the Superintendent

Welcome to the 2016-2017 school year! The beginning of a new school year is always exciting and this year is no exception. Remember everything we do is done for the betterment of the children in the Pike County School System. Never forget the number one factor in their achievement is you! This year, we should seek opportunities to give extra effort and attention to our work and to our students. I look forward to working with each of you as we continue to seek points beyond.
